

### § 831.1203

### 5 CFR Ch. I (1–1–04 Edition)

schedule is at the “same pay level” if the representative rate, as defined in § 532.401 of this chapter, equals the representative rate of the employee’s current position.

*Useful and efficient service* means (1) acceptable performance of the critical or essential elements of the position; and (2) satisfactory conduct and attendance.

*Vacant position* means an unoccupied position of the same grade or pay level and tenure for which the employee is qualified for reassignment that is located in the same commuting area and is serviced by the same appointing authority of the employing agency. The vacant position must be full time, unless the employee’s current position is less than full time, in which case the vacant position must have a work schedule of no less time than that of the current position. In the case of an employee of the United States Postal Service, a vacant position does not include a position in a different craft or a position to which reassignment would be inconsistent with the terms of a collective bargaining agreement covering the employee.

#### § 831.1203 Basic requirements for disability retirement.

(a) Except as provided in paragraph (b) of this section, the following conditions must be met for an individual to be eligible for disability retirement:

(1) The individual must have completed at least 5 years of civilian service that is creditable under the Civil Service Retirement System.

(2) The individual must, while employed in a position subject to the Civil Service Retirement System, have become disabled because of a medical condition, resulting in a service deficiency in performance, conduct, or attendance, or if there is no actual service deficiency, the disabling medical condition must be incompatible with either useful and efficient service or retention in the position.

(3) The disabling medical condition must be expected to continue for at least 1 year from the date the application for disability retirement is filed.

(4) The employing agency must be unable to accommodate the disabling

medical condition in the position held or in an existing vacant position.

(5) An application for disability retirement must be filed with the employing agency before the employee or Member separates from service, or with the former employing agency or the Office of Personnel Management (OPM) within 1 year thereafter. This time limit can be waived only in certain instances explained in § 831.1204.

(b) A National Guard technician who is retiring under the special provisions of 5 U.S.C. 8337(h) is not required to meet the conditions given in paragraphs (a) (2), (3), and (4) of this section. Instead, the individual must be disabled for membership in the National Guard or for the military grade required to hold his or her position and meet the other eligibility requirements under 5 U.S.C. 8337(h)(2).
